

Privacy Policy

Personal data, sales, and e-mail traffic are strictly confidential treated by Shant Laboratories.

Shant Laboratories will not transmit the access data, sales data, e-mail traffic to third parties unless the user has been informed thereof in advance, and the transmission of this data has been initiated electronically by an unequivocal, deliberate act.

The user shall be entitled to withdraw this consent also by informing Shant Laboratories accordingly (e.g. by email), such withdrawal to take effect for the future.

Shant Laboratories' team.

Saintes, 2010, Jan 5th.
